SCHOOL REPORT,

For Year Ending August 1, 1904.

To the Citizens of Auburn we respectfully submit the following Report:

Whole number of pupils registered, 112. Boys 52, girls 60. Number under 5 years, 3. Number over 16, one.

There were eight schools taught during spring term of twelve weeks and seven for fall and winter. There were but three scholars to attend No. 8 in the fall and it was deemed expedient to send them to the Youngsville school, Manchester.

The school in No. 4 was closed after five weeks of the winter term as the traveling was such as to interfere with the attendance. Nos. 1, 2, 5, 6 and 7 have had thirty weeks school this year and No. 3 has had 32 weeks.

The attendance generally has been above the average, Nos. 5 and 8 having a perfect attendance for one term, and No. 1 had but four absent marks for one term. No. 6 had a very good attendance.

Nos. 1 and 6 school houses have been shingled and some small repairs made on the other houses.

No. 4 should be painted and No. 8 shingled during the coming year, and Nos. 1 and 5 papered.
